CALL FOR PARTICIPATION

5th International Conference on Education

"Global Integration and Sport"
held in the framework of the 20th FIEPS European Congress

1–2 May 2026

Elbasan

The Faculty of Education Sciences, University of Elbasan “Aleksandër Xhuvani”, announces the first call for participation and collaboration in the 5th International Conference on Education “Global Integration and Sport”, held in the framework of the 20th FIEPS European Congress, which will take place on 1–2 May 2026 in Elbasan, Albania.

This conference is organized in cooperation with **FIEPS** and the **Albanian Sports Science Association (ASSA)**.

The conference aims to bring together academics, researchers, national and international professionals, school leaders and teachers from the pre-university education system, psycho-social specialists, alumni graduates, outstanding students of teacher education programs, and other education experts. It provides a platform not only to present challenges and issues, but also to propose scientific and practical solutions.

The main themes of the conference will focus on and address studies, research papers, and case studies in the following areas:

1. Education, Teaching and Learning in the Contemporary Context

- Modern theories and practices of teaching
- Development of 21st-century competencies
- Use of technology and innovation in education
- Physical education and its role in student development

2. Physical Activity, Sport, Health and Wellbeing

- Physical activity and its impact on public health
- Health and nutrition education
- Sport, fitness and recreation
- Disease prevention and promotion of active lifestyles

3. Child and Youth Development through Education and Movement

- Motor, cognitive and socio-emotional development
- The role of play, sport and physical activity in development
- Preschool and school education

4. Psychology, Counseling and Psychosocial Services in Education and Sport

- Educational and sport psychology
- Psychosocial services in schools and institutions
- Emotional wellbeing and stress management
- Addressing social and global challenges among youth

5. Social Inclusion, Diversity and Inclusive Education

- Inclusive education and equity in education
- Adapted physical activity and inclusion
- Education for citizenship and social development
- Sport as a tool for integration and social cohesion

6. Management, Policy and Institutional Development in Education and Sport

- Management of educational and sport institutions
- Educational and sport policies
- Curriculum and program development
- Inter institutional and international cooperation
