The graduation ceremony of the University of Elbasan

The University of Elbasan, "Aleksandër Xhuvani," held its graduation ceremony for the academic year 2021-2022, which marked the culmination of a challenging journey that started amidst the pandemic. The students demonstrated effort and dedication and were honored for their achievements. At the beginning of the ceremony, attendees watched a video prepared by the academic staff of "Aleksandër Xhuvani" University, titled "I choose to be educated in my country," which aimed to encourage young people to choose to be educated in Albania and work towards the country's development. The university's rector, Prof. Dr. Skender Topi, expressed his gratitude to the academic staff for their dedication and thanked the students and their parents for their trust in "Aleksandër Xhuvani" University.

Ceremony at the Faculty of Technical Medical Sciences

The Faculty of Technical Medical Sciences at the University of Elbasan "Aleksandër Xhuvani" held a ceremony to receive a donation of technological teaching equipment from the Embassy of China in Albania. The ceremony was attended by Counselor Wang Dexin, Vice-Rector Peçi Naqellari, and Professor Shkëlqim Hidri, the Dean of the Faculty of Technical Medical Sciences. During the event, Counselor Wang Dexin engaged in friendly discussions with lecturers and students about China-Albania relations, higher education cooperation, and cultural exchanges between the two countries.

Doctoral students meeting

The rector of the University of Elbasan, Prof. dr. Skender Topi, organized a meeting with doctoral students from the Faculty of Medical and Technical Sciences. Also present at the meeting were the vice-rector for scientific research, the dean, and academic staff from the faculty. Invited professors from the University of L'Aquila, Italy, shared valuable recommendations, instructions, and advice with the doctoral students on how to conduct their scientific research.

Journalist Ksenofon Ilia in EU

Ksenofon Ilia, a renowned journalist, was invited to the University of Elbasan where he introduced the students of the Faculty of Human Sciences to the concept of "Stenography". He explained the significance, role, and practical applications of this method of communication that utilizes signs, abbreviations, and symbols. To further explore this topic, you can reach out to Ilia via email at ilia.foni70@gmail.com.

Meeting with UE graduates

The University of Elbasan hosted a group of graduates from the High School of Foreign Languages with the aim of acquainting them with the various opportunities, resources, and services available to students. The meeting featured representatives from different departments, including the Faculty of Human Sciences, the Office of Career and Alumni Counseling, and the Office of Foreign Relations.

Journalist Mentor Kikia in UE

Well-known journalist Mentor Kikia had a productive meeting with students of journalism and journalism-English at which he shared his personal experiences, insights into the state of journalism in the country, and the challenges, tasks, and responsibilities that come with being a journalist. Mr. Kikia also offered valuable advice and recommendations on how to practice the profession with integrity and professionalism.

School of Magistrates meeting in UE

The University of Elbasan organized a meeting with the School of Magistrates to raise awareness about the roles and positions of magistrates, advisers, and legal assistants.
