The signing of the Cooperation Agreement between the University of Trakia in Stara Zagora, Bulgaria and the University of Elbasan "Aleksandër Xhuvani"

The signing of the Cooperation Agreement between the University of Trakia in Stara Zagora, Bulgaria and the University of Elbasan "Aleksandër Xhuvani". The agreement has at its center the mobility of academic personnel and students, as well as the co-organization of scientific research activities and ventures of common interest.

First International Student Conference

At the University of Elbasan "Aleksandër Xhuvani", was held the First Student Scientific Conference entitled "Open Science and Internationalization". In his welcoming speech, the rector, Prof. Dr. Skender Topi, emphasized the projects, activities, and training that focus on the student and his academic development. At the end of the conference, there were also certificates and various prizes for the most successful pieces. The initiative of this conference comes as a result of similar experiences of students participating in different mobilities abroad.

National Student Survey 2022

The Agency for Quality Assurance in Higher Education has organized at the University of Elbasan "Aleksandër Xhuvani", an informative session on the survey prepared for students, the data of which will serve to make important decisions in the drafting of state policies in the field of higher education and scientific research in order to further improve the quality of higher education.

Memorandum of Understanding between the University of Elbasan "Aleksandër Xhuvani" and University "Mother Teresa", Skopje

A Memorandum of Understanding was signed with the public university of Elbasan on the grounds of the "Mother Teresa" University's rectorate in Skopje with the intention of laying the groundwork for future cooperation in the best interests of both institutions. The parties agreed to cooperate in the future to advance a framework of cooperation with the aim of benefiting from each other's initiatives and working methods. The basis of this memorandum includes defining the areas for scientific and academic research as well as broad academic, scientific, and cultural cooperation.

The tourism industry and future professions

At the University of Elbasan "Aleksandër Xhuvani", was held a workshop on "Tourism industry and professions of the future" by Mrs. Adriana Dodbiba Kotherja, Director of the Elite Travel Group Contracts Department. Ms. Dodbiba explained to the students the history, evolution, accomplishments, mission, and vision of the travel agency Elite Travel Group. She also highlighted the prospects for students that this business provides through internships and professional development in her presentation.

Nationwide Academic and Scientific Book Fair

The University of Elbasan "Aleksandr Xhuvani" participated in the National Academic and Scientific Book Fair, which was held in the premises of the Academy of Sciences of Albania for three days in a row. Various academics and citizens became intimately acquainted with the research projects of university professors and students.
