The Deputy Minister of Education and Sports Albana Tole, the distinguished professors from the University of L'Aquila, Maria Grazia Cifone, Maurizio Giuliani, Vittorio Calvisi, Mario Giannone and the professors from the University of Bari, Gaetano Dammacco, participated in this conference presenting, their welcome speeches, Luigi Santacroce, Raffaele Palmirotta, and Antonio Mazzocca, Directors of the National Medical Emergency Center of Albania, Dr. Skënder Brataj, President of the Order of Nurses Blerina Duka, member of the parliamentary Health Commission Florenc Spaho, and other leading authorities of health institutions. Health professionals, researchers, academics, and students participated in this activity with their scientific papers for two consecutive days. This scientific activity achieved its goal with several collaborations, creating a very active environment with constructive discussions and full of innovations in health. The activity is accredited by QKEV for health professionals with 7.5 credits for passive participants and 15 credits for lecturers. The conference was organized under the special auspices of the Rector of the University of Elbasan "Aleksandër Xhuvani", Prof. dr. Skender Topi.

Prof. Skender Topi, official meeting at the University of Florence

The Rector of the University of Elbasan, Prof. dr. Skender Topi, held an official meeting with the Rector of the University of Firenze, Prof. Alessandra Petrucci. The meeting took place in the rectorate of the University of Florence with the focus on the expansion of cooperation between the two institutions. Part of the agreement was the initiative to organize a joint study program in the field of social sciences. The parties also expressed their agreement to expand cooperation within the Erasmus+ program for study programs in economics, law, and technical medical sciences.

Empowering women and girls in STEM and scientific research

The Association "For Women and Children", in cooperation with AKKSHI, presented the "Equality Network-Empowerment of women and girls in STEM and scientific research" project at the University of Elbasan "Aleksandër Xhuvani". In their statements, Mrs. Nora Malaj, Mrs. Ermira Pirdeni, Mrs. Flutura Xhabija, and Mrs. Rajmonda Prifti, in their statements, emphasized that the lack of media promotion, the lack of models or examples to follow, and social prejudices have created a gap for the development of women and girls in various fields, especially that of scientific research.

Visiting professors at UE

This week we have a guest lecturer at the Department of Social Sciences and Civic Education, Professors Gaetano Dammacco and Roberta Santoro, who are holding a lecture with the students of the study programs of this department as part of our multi-year partnership with Aldo Moro University, Bari, Italy.

The University of Elbasan "Aleksandër Xhuvani" signed a cooperation agreement with AADF in the Research Expertise from the Academic Diaspora READ Program. The chairman of BoT AADF, Mr. Michael D. Granoff, AADF Associates, Mr. Martin Mata and Mr. Aleksandër Sarapuli, the Ministry of Education and Sports, Mrs. Evis Kushi, members from the Advisory Councils of the READ Program, as well as representatives from higher education institutions throughout the country. AADF aims to bring up to 100 scholars from the Albanian Diaspora to work with institutions of higher education in Albania on collaborative research projects, PhDs, supervision, curriculum development, and co-teaching.

Being a successful banker

The University of Elbasan "Aleksandër Xhuvani", in cooperation with the Business Advisory Board, organized at the Faculty of Economics, the activity entitled "Being a successful banker", presented by Mr. Erion Qosja, Business Advisor at Credins Bank, Elbasan Branch. In his presentation, Mr. Qosja focused on the banking system, banking services, the role and function of the banker, and the qualities and skills he should have in his work. This activity closed the series of promotional activities for students that the Career Counseling Office has developed throughout this academic year, in cooperation with the Business Advisory Board.

The Signing of the Cooperation agreement

A collaboration agreement was signed between University of Elbasan "Aleksandër Xhuvani" and the Language Implementation Agency of the Republic of North Macedonia. The agreement aims to carry out cooperative projects, conduct joint research, improve the professional teams' capacities of the parties, and provide one another with assistance as needed to carry out joint activities.

"Collective Memory in Literature and Media"

The University of Elbasan, "Aleksandër Xhuvani", organized the International Scientific Conference on "Collective Memory in Literature and Media". The purpose of this conference is to present new perspectives on the traditional dilemmas related to collective memory, especially in the fields of literature and media. The conference is an effort to promote scientific research and address questions related to the importance and role of literature and the media in shaping collective memory and reshaping political, social, and cultural realities.

Informative seminar

An informative seminar on the procedure for processing and submitting documents to the DPA was arranged for the secretarial-archives staff at the Rectorate of the University of Elbasan "Aleksandr Xhuvani." Mrs. Enkelejda Sejдини and Mr. Liman Qyra, two DPA inspectors' representatives who attended the seminar, provided the secretariat-archives staff with information regarding the process for processing and submitting documents to the DPA in accordance with this directorate's directives.

"Jews and their salvation from the Albanians" lecture

Mr. Yitzchak Kerem, professor of the history of Jewish literature at the Hebrew University of Jerusalem, gave a presentation entitled "Jews and their redemption by the Albanians" at the University of Elbasan. In his lecture, Prof. Kerem shared with the students historical facts about the emigration of Jews throughout history, the contribution that the Albanian people gave to the Jews during the Holocaust, and the necessary cooperation to prevent or prevent the recurrence of genocide of a similar nature to that which is taking place in Ukraine.
