

2nd International Conference "Globalization and Integration in Contemporary Education"

The 2nd International Conference on "Globalization and Integration in Contemporary Education" was held at the University of Elbasan "Aleksandër Xhuvani". This conference, organized by the Faculty of Education Sciences, has already become a tradition where researchers from the field of education, academics, managers and teachers of the pre-university education system, specialists, and students gather together. In his welcoming speech, the rector of the university, Prof. Dr. Skender Topi, emphasized the importance of cooperation in the field of education and the role that internationalization has played for years in increasing its quality as an institution of higher education.

Research Papers Competition

CleanScore announced the winners of the third edition of the "Competition of Research Papers." Lecturers, students, representatives from career offices, winners of previous editions and participants of this edition were present in this activity. The final of this competition brought 33 quality papers from public and private universities. The innovation of this edition was the participation of competitors from the diaspora. The University of Elbasan "Aleksandër Xhuvani" was represented by a student, Argesta Stërğu, who won the third prize.

"Tolerance Beyond Culture" Forum

For the first time, the University of Elbasan "Aleksandër Xhuvani" University organizes a forum on "Tolerance Beyond Culture". This forum is the result of the cooperation between the University of Elbasan "Aleksandër Xhuvani", the International Foundation for Tolerance and Research Dialogue Cooperation. In his welcoming speech, the rector of the university, Prof. Dr. Skender Topi, emphasized the importance of creating activities dedicated to tolerance and culture, also mentioning the recently undertaken projects for the recognition of joint degrees with partner universities, thus enabling growth in the academic quality of students. During the meeting, appreciation prizes were distributed to the guests.

Annual Scientific Conference of "Kadri Zeka" University, Gjilan

For the second consecutive year, the University of Elbasan participates in the Annual International Scientific Conference of "Kadri Zeka" University in Gjilan, Kosovo. At the conference on "Scientific Identity and Creativity in a Changing World", participation was offered with presentations of research results in one of the 5 sections of the conference:

- 1) Current digitization challenges
- 2) Current mathematical research
- 3) Current educational challenges
- 4) Economic Development Opportunities and Challenges
- 5) Positive justice and the rule of law

The conference has become a meeting place and platform for researchers, teachers, educators, and policymakers from the region and around the world.

Meeting with the ambassador of Greece in Albania, Mrs. Sophia Philippidou

The rector of the University of Elbasan "Aleksandër Xhuvani", Prof. Dr. Skender Topi, welcomed in a meeting the ambassador of Greece in Albania, Mrs. Sophia Philippidou. In addition to thanking those who made this meeting possible, Prof. Dr. Skender Topi focused on the projects and agreements undertaken for the development and increase of the quality of the institution at the national and international level. Ms. Sophia Philippidou appreciated the initiative of Prof. Dr. Skender Topi for the increase of agreements with higher education institutions in Greece and expressed her willingness to create bridges of cooperation in the academic field. The meeting's goal was to improve relations between the two parties and explore potential opportunities for cooperation with Greek institutions.

Parliamentary Committee for Education and Media

The Parliamentary Commission for Education and Public Information Media chose the University of Elbasan "Aleksandër Xhuvani" for its next meeting. In a conversation with the Rector of the University, Prof. Dr. Skender Topi, and the academic staff, it was discussed the problems that accompany today's teacher study programs and the possibilities of their solution, the issues of scientific titles and degrees, the development and increase of the quality of scientific research, etc.

"Integration of students in the labor market"

In the framework of the "3E - English-Entrepreneurship - Employability" project, made possible by the support of the American Embassy, JAA (Junior Achievement Albania), developed at the University of Elbasan the table on the topic "Integration of students into the labor market". Mrs. Blerina Guga and Mrs. Anisa Subashi presented the current situation of student employment and the identification of national and local models and practices that enable the integration of students into the labor market.

Informative session by Mr. Denis Gafur

The University of Elbasan "Aleksandër Xhuvani", in cooperation with the UE Business Advisory Board, organized the last activity for this academic year with the students of the Faculty of Economics. The event was attended by Mr. Denis Gafuri, international speaker, author of the successful book "Success in Sales", entrepreneur and also founder of the International Convention of Business and Entrepreneurs.
