The Youth Project

At the University of Elbasan "Aleksandër Xhuvani," a meeting was held with students in collaboration with representatives from the online media outlet Gogo.al as part of the "We the Youth" project. In her welcoming speech, the Vice-Rector of the University, Prof. Elvira Fetahu, emphasized the role and importance of young people as promoters of change in the country and highlighted the university's contribution to shaping them as future professionals and citizens. The aim of the project is to showcase the stories and experiences of young Albanians, which were presented to the students during the meeting, highlighting their journey, challenges, and achievements in Albania.

Mr. H.E. Reinout Vos's official visit to the University of Elbasan

The Ambassador of Netherlands in Tirana, H.E. Reinout Vos, visited the University of Elbasan "Aleksandër Xhuvani," where he was initially welcomed by the Vice-Rector of the University, Prof. Dr. Elvira Fetahu. She introduced him to the history, contributions, and activities of the university in the country, the region, and beyond, and they discussed opportunities for institutional collaboration in the field of education. Mr. Vos then engaged in an open discussion with students, faculty, and representatives of civil society organizations, where they discussed the process, importance, and expectations of Albania's integration into the European Union, as well as the added values that Albania will bring to the EU. In her welcoming speech, the Vice-Rector of the University of Elbasan, Prof. Dr. Elvira Fetahu, emphasized the importance of educational institutions, the role of young people as the best ambassadors of a nation, and the key actors who will lead the country toward significant changes while also building a better, fairer future more integrated into the larger European family.

The University of Elbasan in the Volleyball Championship

The University of Elbasan "Aleksandër Xhuvani," in collaboration with the Student Council and the Student Sports Club, organized a volleyball championship. This event took place among teams formed by members of this club and the administrative staff at the "Tomorr Sinani" Sports Palace. This activity, along with many others initiated by the Student Council and Student Clubs of the University of Elbasan, aims to contribute to building a strong and united student community.

The University of Elbasan hosted the International Scientific Conference

University of Elbasan "Aleksandër Xhuvani," held the International Scientific Conference titled "Linguistic Evolution in the Digital Age: Impact on Communication, Literature, Civilization, and Teaching", in celebration of the 30th anniversary of the English Language Program. This conference was organized in collaboration with the Department of Foreign Languages within the Faculty of Humanities, the Rectorate of the University of Elbasan "Aleksandër Xhuvani," and other higher and pre-university educational institutions, both nationally and internationally. In his welcoming speech, the Vice-Rector of the University, Assoc. Prof. Dr Peçi Naqellari, highlighted the importance of the Department of Foreign Languages at the University of Elbasan, noting its qualified academic staff, accredited study programs, and a well-integrated and collaborative scientific and teaching activity involved in various projects with all the university's departments.

Ministry of Education and Sports at UNIEL

The Minister of Education and Sports, Ms. Ogerta Manastirliu, monitored closely the training sessions conducted at the University of Elbasan "Aleksandër Xhuvani" by the academic staff. During her visit, accompanied by the university's administrative team, she exchanged views and suggestions with the trainers and teachers. She also praised the university facilities provided for these trainings and more, describing them as modern.

Activity by the Student Sports Club

At the end of the academic year and to ensure a smooth start to the exam season, the Student Sports Club organized several activities, including hiking and rafting, offering new experiences for students. Their destinations were Funari, the Sotira Waterfall, and the Holta Canyons.
