## The 2nd International Student Conference

The University of Elbasan "Aleksandër Xhuvani" successfully organized the 2nd International Student Conference "Challenges of the New Generations for a Sustainable Future." The Rector of the University, Prof. Dr. Skender Topi, in his welcoming speech, expressed appreciation for the importance of student engagement, considering this conference as the right platform to promote student talent and create an open debate on topics that are most important to them. As part of this conference, the Student Competition of Artistic and Craft Works was also held, where awards were given for the best work. The Minister of Education and Sports, Prof. Dr. Evis Kushi, the Minister of State for Youth and Children, Mrs. Bora Muzhaqi, the Mayor of Elbasan, Mr. Gledian Llatja, the Mayor of Maltepe, Istanbul, Mr. Ali Kiliç, as well as the Director of the Regional Directorate of the National Employment and Skills Agency, Mrs. Marsida Hyseni, participated in and greeted this conference. This conference, organized by the University of Elbasan, showcased the significant growth of students' interest in exploring scientific fields and creating their own networks of international contacts. They presented their original works, engaged in fruitful discussions, and interacted with their colleagues.

## The 2nd International Week "Culture and Communication"

University of Elbasan successfully concludes the 2nd International Week "Culture and Communication" as part of the Erasmus+ program. From May 8th to May 12th, a series of activities were held at the University of Elbasan "Aleksandër Xhuvani" during the International Week, where participants from partner universities had the opportunity to get acquainted with the university and the city of Elbasan, exchange knowledge and experiences, as well as share best practices. In this special week, participants engaged in various activities such as seminars, cultural tours, and participation in the UNIEL Fair, where they had the chance to explore Albanian traditions, language, history, and culture, as well as get introduced to our faculties, staff, and students. Internationalization is a fundamental element of the University of Elbasan's mission and its commitment to shaping higher education according to international standards. Through this dedication, the university provides a rich academic and scientific environment that contributes to the development of students and the fostering of an open society towards the world.

## May 10th: "National Justice Day"

In the framework of May 10th, "National Justice Day," the University of Elbasan "Aleksandër Xhuvani," in collaboration with the Prosecutor's Office at the First Instance Court of Elbasan, organized a roundtable discussion on "Challenges of Albanian Justice from the Code of Civil Procedure to Justice Reform within the Integration Processes." The Rector of the University of Elbasan, Prof. Dr. Skender Topi, expressed his gratitude for the wide participation of high-profile personalities in the field of justice, judiciary, legal researchers, religious communities, colleagues, and students. He emphasized the importance of conducting such meetings within fruitful agreements, which contribute to institutional development, community involvement, and the preparation of students who undergo internships at these institutions. The speakers at this meeting included Mr. Kreshnik Ajazi, Head of the Prosecutor's Office at the Elbasan District Court, Prof. Dr. Artan Hoxha, Rector of the University of Tirana, Mr. Artur Metani, Senior Inspector of Justice, Mr. Alfred Balla, Chairman of the High Council of Prosecution,

Ms. Matilda Fetahu, Chairwoman of the Elbasan Court, Mr. Ilir Proda, Director of Elbasan County Police, Assoc. Prof. Dr. Imelda Sejdini, Dean of the Faculty of Economics, Assoc. Prof. Dr. Rezarta Tahiraj, Head of the Center for Justice and Economics, and Assoc. Prof. Dr. Arbër Gjeta, Director of the "Jean Monnet" Department at EEAABAC. At the end of the meeting, the speakers discussed the topics covered and answered questions from the attendees.

## The Second International Congress in FSHMT

University of Elbasan 'Aleksandër Xhuvani' organized the Second International Congress 'Recent Trends in Biomedical Research, Current State of Biomedical Research in the Adriatic Region.' This congress provides a unique platform where researchers, doctors, experts, and professionals from around the world gathered to share their experiences, discoveries, and challenges in the field of biomedical research in the Adriatic region. In his welcoming speech, the Rector of the University, Prof. Dr. Skender Topi, expressed his gratitude to all participants and organizers of this congress and appreciated the achievements made so far in the field of biomedicine. Over the course of three days of this congress, innovative projects, research, and recent observations were presented to foster new collaborations, as well as to improve the health and well-being of people in this region.

## Open lecture at the University of Elbasan

Open lecture at the University of Elbasan "Aleksandër Xhuvani" on the book "Giovanni Falcone. A Solitary Hero," with the presence of the translator, Major Engert Pëllumbi. Mr. Pëllumbi, during the open lecture with students, lecturers, judges, prosecutors, and lawyers, focused on the life and work of Giovanni Falcone and the importance of the fight against corruption and organized crime as one of Albania's main objectives in the integration processes.
