UE signs cooperation agreement with the OSCE Presence in Albania

Today, the University of Elbasan "Aleksandër Xhuvani" has marked a significant step towards deepening collaboration with the Organization for Security and Co-operation in Europe (OSCE) in Albania. The Rector of the University of Elbasan, Prof. Dr. Skender Topi, and the Ambassador of the OSCE Presence in Albania, Mr. Bruce G. Berton, have signed an agreement aiming to establish the Law Clinic at the University of Elbasan. The Clinic:

- It will provide primary legal assistance for residents with low income in the Elbasan district.
- It will contribute to the practical training of fifth-year Law students.

As part of this agreement, the OSCE Presence in Albania will support the academic staff and students with training, literature, and foundational materials, as well as experience for the development and management of a legal aid clinic and practical legal training program. The Rector, in his speech, expressed unwavering commitment to this collaboration, the partnership of which will bring significant benefits to the academic community of Elbasan and beyond. Ambassador Berton expressed his pleasure at the deepening collaboration with such a significant educational institution as the University of Elbasan and conveyed his confidence in the success of establishing the law clinic, as well as in future joint projects.

Faculty of Economics 11th International Scientific Conference

The Faculty of Economics at the University of Elbasan "Aleksandër Xhuvani" held the 11th International Scientific Conference on "Challenges in Entrepreneurship Innovation and Legal Framework." In her speech, the Vice-Rector of the University, Assoc. Prof. Dr. Elvira Fetahu, discussed the need and importance of scientific research at the University of Elbasan and the implementation of research-related projects with national and international funding. This international conference, which has become a tradition at the Faculty of Economics, provides an excellent platform for scholars and researchers from various countries to discuss ideas, perspectives, present new insights, and create a rich and fruitful dialogue.

Voluntary blood donation session in UE

The University of Elbasan "Aleksandër Xhuvani" in cooperation with the Albanian Red Cross Branch Elbasan and the National Blood Transfusion Bank, organized a voluntary blood donation session in the premises of the university, under the motto "Donate blood, save a life!". Like every year In addition, we noticed a great willingness of students, academic staff and other employees of this institution to join this initiative, whose contribution will help the Thalassemic children.

Information session

Partners Albania, in collaboration with the University of Elbasan "Aleksandër Xhuvani," organized an information session on the First Call for Applications for the "Challenge Fund" project. The objective of this project is to provide financial and technical support for approximately 50 Albanian startups and micro, small, and medium enterprises with innovative solutions at various stages of their development. This support will be provided through competitive support schemes, networking, and exposure in national and international markets.
