## EUROPEAN ENTREPRENEURSHIP ECOSYSTEM FOR THE EUROPEAN INTEGRATION OF ALBANIA

Funded by  
the European Union

Key activities include preparation of syllabi, course outlines, new teaching materials, web site creation and the training of the target group in the EU economic integration with parallel activities aiming at the improvement of modern EU modules.

Activities in the project realization will contribute to broadening the ideas of European integration. The special focus is on student engagement and real-world application.

A series of planned events, including roundtables, module launch events, and presence at the educational fair and “Open Days” are integral to the project.
