

1. Interested institution:

The Hebrew University of Jerusalem (www.huji.ac.il)

2. Brief Description of the Institution

The Hebrew University of Jerusalem, founded in 1918 and opened officially in 1925, is Israel’s premier university as well as its leading research institution. The Hebrew University is ranked internationally among the 100 leading universities in the world and first among Israeli universities.

The recognition the Hebrew University has attained confirms its reputation for excellence and its leading role in the scientific community. It stresses excellence and offers a wide array of study opportunities in the humanities, social sciences, exact sciences and medicine. The university encourages multi-disciplinary activities in Israel and overseas and serves as a bridge between academic research and its social and industrial applications.

3. Please tick the areas of research (as established in Marie Skłodowska Curie Actions)

- | | |

4. Research / Project Description

The Hebrew University of Jerusalem (HUJI) invites eligible international researchers to choose HUJI as their host institution for a Marie Skłodowska-Curie Individual Fellowship for proposals in all fields.

Individual Fellowships provide support for Experienced Researchers undertaking mobility between countries. Individual Fellowships provide opportunities to acquire and transfer

“EXPRESSION OF INTEREST” FOR HOSTING MARIE S. CURIE FELLOWS IN ISRAELI INSTITUTIONS (CALL MSCA IF 2015)

new knowledge and to work on research in a European context. (EU Member States and Associated Countries) or outside Europe. The scheme particularly supports the return and reintegration of researchers to Europe or Associated Countries. It also develops or helps to restart the careers of individual researchers that show great potential, considering their experience.

All Marie Skłodowska-Curie actions have a bottom-up approach, i.e. research fields are chosen freely by the applicants.

Projects can range between 12-36 months.

For more information, please see the [Guide for Applicants](#) and the [Work Programme](#).

5. *Who can apply?*

At the deadline for the submission of proposals (10/09/2015), researchers (*):

- shall be in possession of a doctoral degree or have at least four years of full-time equivalent research experience.
- must not have resided or carried out their main activities in Israel for more than 12 months in the 3 years immediately prior to the abovementioned deadline.

6. *Contact person*

Ms. Hani Ben-Yehuda: hanib@savion.huji.ac.il

Ms. Marta Kleiman: martak@savion.huji.ac.il

Ms. Ronit Lavi: ronitla@savion.huji.ac.il

7. *Applications: documents to be submitted and deadlines*

It is required that you have a supervisor from HUJI. We will be happy to assist.
Final submission via the EU [Participant Portal](#).

Please note that:

- Deadline of the next call for proposals for Marie Skłodowska – Curie Individual Fellowships is **September, 10th 2015**.

(*) Further details on the Call and additional eligibility criteria can be found at the [Participants' Portal](#)
